

# ULTRA TRINITY 280 MKII

## BEAM, SPOT, WASH 3 IN 1

The ULTRA TRINITY 280 MKII is a Multi Effect Moving Head designed with Beam, Spot, and Wash effect.

The ULTRA TRINITY 280 MKII's output rivals other lights in its class.

The ULTRA TRINITY 280 MKII is a definite must have in your bag of tricks on stage. Why buy just a Beam or Spot or Wash light when you can get them all in one low cost unit. Priced similar to most Beam lights you can take one fixture and do it all. Great for Large Stage shows.
